MC011 We restricted your account

Hello idea_sweden,

Restore your selling privileges: Action required

We restricted your account because we noticed activity that we believe is a risk to our community.

This restriction means the following:

- Your selling privileges are temporarily restricted. You won't be able to create new listings or revise any listings that are live on our site. You also can't register a new account at this time.
- If you're a seller participating in managed payments, we are withholding your future payouts. You'll start getting paid again after you resolve your restriction and your account is reinstated.
- Some of your listings may have been removed. You'll find details of any listings we removed below.
- All fees paid or payable for listings that are ended and/or hidden from search will not be refunded or otherwise credited to your account.

To help us remove the restriction on your account, you'll need to:

- Upload documentation showing that you purchased the item(s) recently listed on eBay. This can include a manufacturer's invoice or a receipt. You can upload your documents at the following link: <https://ocsnext.ebay.com/ocs/mudcwf?deptName=USRiskManagement>
- Make sure your documents are current, valid, and legible. Your name and username should appear on each document.
- More specific details are provided below.

Once you complete these requirements, reply to this email, and we'll review your account. We may ask you to provide additional information during our review.
